MEET BEVIN

Bevin Cohen is an author, herbalist, gardener, seed saver, and educator. He is the owner of Small House Farm, a sustainable herb farm in central Michigan, offering a full line of herbal wellness products crafted from herbs that are grown or gathered from the wild and oils that are cold-pressed at the homestead. The products are sold across the US and have been featured in numerous magazines.

Cohen offers workshops and lectures nationwide on the benefits of living closer to the land through seeds, herbs, and locally grown food. He is the author of *From Our Seeds & Their Keepers* and *Saving Our Seeds*. He serves on the board of the International Herb Association and the advisory council for the Community Seed Network. He lives in Sanford, Michigan.

TESTIMONIALS

“Bevin’s enthusiasm is contagious! His ability to connect and engage all types of audiences makes him a crowd favorite!” *Joyce P.*

“Bevin is punctual, informative, and fun. His talks are always fascinating, with positive feedback from all members of the audience. We highly recommend Bevin!” *Mary R.*

“Bevin’s exuberance and experience combine to create an engaging and educational event. Any audience will be highly entertained by his humor and energy!” *Jim W.*

“One of the funniest, smartest and most interesting people I’ve ever had the privilege of learning from.” *Lisa S.*

THE ARTISAN HERBALIST

From urban apartments to wild countryside, *The Artisan Herbalist* is an easy-to-use guide that teaches you how to identify, grow, harvest, forage, and craft herbal allies into an assortment of useful health and wellness products. Through storytelling and step-by-step instruction, *The Artisan Herbalist* covers:

-  The uses and benefits of 38 easy-to-find yet powerful herbs
-  Harvesting from the wild, foraging in the city, and using store-bought herbs
-  Growing herbs in small areas, balconies, and pots
-  Principles, tips, techniques, and formulas to create teas and tinctures
-  Infusing oils for the creation of salves, lotions, and balms
-  Beneficial herb-based recipes
-  Marketing and selling your products through a home-based business

Whether you live in the city, suburbs, or countryside, take back control of your health and begin your journey towards independent self-care as a budding artisan herbalist.

OTHER BOOKS BY BEVIN

POPULAR PRESENTATIONS AVAILABLE IN PERSON OR VIRTUAL

Living an Herbal Life

Delve into the benefits of various cultivated and foraged herbs and explore why developing a relationship with our herbal allies is more important now than ever before.

Wildcrafted Herbs and Cold Pressed Oils

Local Ingredients are a Recipe for Success. Working with herbs from one's own bioregion opens the door to Nature's abundance, aiding the herbalist in crafting exceptional health and beauty products. Learn more about Bevin's small-scale seed and nut oil production business and how his focus on locally crafted ingredients became his recipe for success!

The Art of Herbal Tea

Blend, brew and enjoy an irresistible selection of herbal teas while Bevin shares his knowledge on the history and folklore of the various herbal ingredients. Document your impressions of each herb's aroma and flavor as we explore the various layers of a well-crafted herbal tea. Create a custom herbal tea to enjoy at home!

Making Teas, Tinctures & Oils [at home]

Learn how to create salves, balms, and tinctures using herbs that you can grown in your own backyard. A great presentation for gardeners and herb enthusiasts looking to take their herbal passion to the next level! Bevin will share his decades of experience as an herbalist guiding participants through the many processes involved in crafting a wide range of herbal products for health, wellness and beauty.

Building a Sustainable Seed Community

Sharing our heirloom garden seeds is the cornerstone of any localized food movement. In this presentation, attendees will learn all about seed libraries and seed swaps and how to organize and maintain these important programs for their communities. From material lists and organizational best-practices to programing, marketing and securing volunteers, Bevin breaks down the steps to building a sustainable seed community.

Seed Saving 101

Learn the basics of this traditional skill through a blend of hands-on demonstration and lecture.

..and many more!
